Please notify me of your interest in participating so that I can walk you through the process. There is a quick online training course and certification for chaperones required which you will receive information on how to complete once I've been contacted.

In addition, the enclosed screening forms need to be submitted for clearance to work with youth in the diocese. This clearance is a good thing to have for ALL Sayo activities, even if you think you might participate just a few times over the course of your child's participation in the program. The Parish pays for the filing fees. So this is made available at no cost to you!
